Dear Sir:

**C** I have prepared an article on Hubert Ogunde for publication in the Educational Theatre Journal. I would like to have your permission to quote two autobiographical statements by Ogunde which appeared in the TV Times and Radio News of August 25, 1960 (pp. 12-13) and December 1, 1960 (pp. 4-5). Since the Educational Theatre Journal is a non-commercial educational publication, it cannot offer to pay for this material. However, the TV Times and Radio News will be credited as the place of original publication, and I will see to it that you receive a copy of the article when it appears sometime next year.

**O** I hope this arrangement is agreeable to you. I look forward to hearing from you.

Sincerely yours,

Bernth Lindfors, Associate Professor  
English and African Literatures
