Dear Sirs,

I am doing dissertation research on Nigerian fiction and I wish to establish a chronology of Nigerian novel writing. Can you tell me when you received the manuscript of each of the following books:

Clement Agunwa -- More Than Once

N.U. Akpan -- The Wooden Gong

E.C.C. Uzodinma -- Our Dead Speak

Are you planning to publish any novels by Nigerian (or Biafran ) authors this year?

Sincerely yours,

Bernth Lindfors
