Dear Mr Lindfors

Thank you for your letter of June 13th. I am afraid I cannot give you the exact date when we received the manuscripts of the books you mentioned. However, I would say it was roughly one year before we published in each case. The publication dates were as follows:

DANDA - Nkem Nwankwo - September 1964
THE VOICE - Gabriel Okara - September 1964
THE INTERPRETERS - Wole Soyinka - March 1965

The latest address we have for Gabriel Okara is: 8 Nise Street, Bivani Enngu, Eastern Nigeria.

We have no new Nigerian novels coming at the moment.

Yours sincerely,

Piers Burnett
Associate Director.
