

## LITTLE MAGAZINES FROM ANGLOPHONE AFRICA

Bernth Lindfors

Here is a list of anglophone African little magazines that publish material of literary interest. Some carry creative writing, some specialize in literary criticism or cultural commentary, some try to accommodate both. Most of them welcome submissions from abroad, but contributors may have to wait a while for a new issue to materialize.

Periodicals known to be defunct are not included; only those that have shown signs of life in recent years are listed.
