Dear Professor Lindfors,

We do apologise for the delay in replying to your letter of 17 April 1989 regarding photographs of authors for the Dictionary of Literary Biography.

Since we have hardly any original photographs, except for one of Siphso Sepamla and Oswald Mtshali, which we can lend you.

We are also enclosing photocopies of photographs of Sol Plaatje and Tod Matshikiza, but you have to get permission and prints from the copyright owners, as written on the photography.

The Bailey African Photo Archives will also be able to let you have photographs of authors of the exiled generation like Nat Nakasa, Can Themba, etc.. We suggest you also contact them.

We wish you success with your publication.

Yours sincerely,

Ad. DONKER

P.S. For a Bessie Head photograph you should contact Graham de Smidt, 22d Campbell Road, BOW London E3 4DT Britain.
