Dear Prof. Bernth Lindfors,

I have just received your letter in which you asked me if I am willing to prepare a biobibliographical essay of four to five thousand words on Chukwuemeka Ike. I am **willing to prepare** the biobibliographical essay.

I am, therefore, expecting your detailed instructions on my typescript should be prepared. I understand that you will need to receive my contribution before June 1 1993. I hope to send it to you before then so that you will have enough time to take relevant decisions.

I will gather the book jackets, caricatures and cartoons you requested and send them to you.

Thank you for thinking of me. I hope you received my recommendation letters to you concerning letters of recommendation. I also thank you that you granted my requests. I am grateful.

The very best wishes.

Yours sincerely,

Ezenwa - Chaeto.
