Dear John,

Is something wrong? I haven't had any response from you to my letter of June 14, and I'm beginning to wonder if you have run into some difficulty that is preventing you from delivering your essay on Imbuga for the Dictionary of Literary Biography volume. Please send it soon. It is too late now to find a replacement for you, and I very much want Imbuga to be covered in the book. (He did a nice essay on you, by the way.)

Also, I'm still waiting for a good photo or two of you. We can't go to press until we have suitable illustrations of all the authors included in the volume. Please send me something soon.

Best wishes,

Bernth Lindfors
