Dear Dr. Lindfors,

I enclose my article on Kojo Laing, plus two dust jackets for his novels, plus a diskette with the paper in WordPerfect 5.1. I hope it is satisfactory. If it is a little too long I suggest cutting something from page 20 or 21, but I would rather not. I decided not to cite any interviews or reviews apart from Amoako's, because I thought they were rather slight.

If you need to correspond with me on the paper, please note that I will be travelling in Europe between May 20 and June 20. Then I will leave Ghana again in August for a year. My contact addresses from approximately 1st August 1993 at least until January 1994 will be: 33 Elm St., Brookline MA 02146 USA, or (probably better) 385 Bath Road, Kingston, Ontario K7M 2Y1 Canada.

Yours sincerely,
