Dear Prof. Lindfors,

I enclose my essay on Kofi Anyidoho for the DLB volume on Caribbean and African Writers, Vol 3. I apologise for the delay.

Kofi had said he would send me some photographs from which I could select a few to be published with the essay, but I suspect his many other engagements have prevented him from searching for them.

Rather than wait any longer, I am sending the entry. If the photos come, I'll send them on. He tells me in any case that you already have some pictures of him.

Many thanks for the opportunity to work on this project.

Sincerely,

A.N. Mensah
