My Dear Gnomon,

Early & at the  
Season of lights you bring so  
much happiness into our lives.  
You should have seen Sukhthi  
with her Stax suit. - "Oh my  
darling Stax suit" - virtually  
dancing - wanted to phone you  
- did I believe.

Thank you - The exams are  
physically over - I don't send  
Christmas cards - but I have  
scrambled some for the boys at  
Rabben Island & I'm sending  
them off today.

Sahdhan ill - is to have his  
tensils out - My kidney is giving  
me hell - But we keep - we  
have to. See you soon - I hope.

Love Phyllis
