Cousin)

25/12/70.

My Dew Aunt Lizzie,

Thank you for
inviting me to my Cousin Leslie's
wedding. I am afraid I don't
know him - more's the pity.
I cannot attend this happy occasion
due to restrictions placed on me,
however I want to wish both
a happy marriage.

I do hope you keep well -
it is now 2 decades that we
have a silent Dad - so where
it gave happiness to many - it
is with great pain & sorrow
that the day passed for us.

Keep well -

Love to all

Phyllis
