

22/2/71.

My dear Bernard,

Thank you for your letter of the 14/2/71. You have not mentioned your family before - It appears that I am to be house-arrested so would you please ask them to visit to me - or see me at work, by appointment.

I am very sorry that you have not been able to study - I shall see if I can raise this problem with your family.

I cannot talk to Gladys you see my problem. The children are well. I am enjoying work at my new job - But I am very tired - so tired that as at today I owe you two letters. I am very worried about Swas. Silence. Keep Well. Sahr Kah Phyllis
