

25/5/71.

Secretary of Convocation
University of Natal.

Sir, re: Annual Meeting June 1971.

Your notice of the above meeting
is acknowledged with thanks.

This year I had hoped for a
lifting of my restriction orders &
thus to attend at social & other
gatherings. But the Ministry has
sought to reimpose those orders together
with a House Arrest.

My apologies for non-attendance
& sincere wishes for a successful
meeting.

Please don't read your travel
opportunities - it makes wallow
in self-pity - a commodity I can
ill-afford.

Sincerely,

V. P. R. Laidoo (Mrs)
