Durban.

22/1/72.

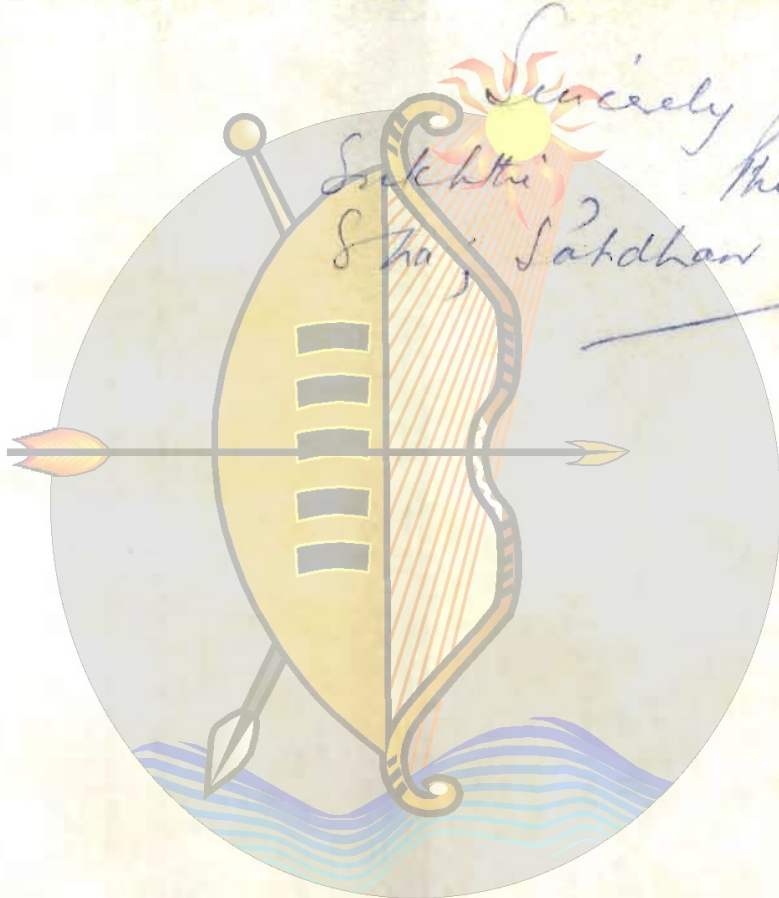

My dear Grace & Goswin.

I return herewith your
pet in which you so kindly brought
food to me & my family. Your love &
affection makes me humble.

The words 'thank you' are small
words - but if they can tell you
you just how much we feel -
it would still be inadequate.

Sincerely,

Sukhbir Singh

Hoosen,

Into this envelope was to be placed a birthday card for the 23/11 - But the card was too big for the envelope.

The joys of Lesotho.

Oppenheimer has given his local majesty 2 horses worth R15,000.00. If he spent that on wages of his ~~mine workers~~ - look how many hungry months would thank him - but Les' Short Righted

Leboa, goes to Chush - with 12 SBs - the varied uses of the specie.

Do write - send cuttings something -

Please
Love
Thyl.

Thank you for the Eid cards sent out to R.I.
