My dear Rita & Cynthia

Thank you for the cuttings - I knew the envelope - despite your attempts to remove my stamp - I thought those envelopes remember - Thank you.

Tell Doris despite her promise to write - she has not. Hows the office? Have you all made applications for Vinjellas & Sylvias visit - I've arranged monies - Bodil too will send cash for both.

Lisa will help - & Leela.

Any news of Russel Spadvaek
Please let me know -

Love you all & look forward to the day I'll be back.
Kryl.
