Masem - Lesotho <sup>31</sup>

My dear Thumka,

I am told that the R100  
ne Mae's application - (Jack Unterhalter)  
has not been paid as undertaken.  
You might be happy to learn that Basil  
paid same out of the proceeds of my  
flat.

That sum is diminishing fast -  
what with all the people who think  
I have a vast reservoir of cash. You'll  
be happy to learn that I stand in the  
clothes I have - no home, no insurance  
no banking account.

I don't expect people like you to  
treat me (may not me) with this  
sort of contempt. If you have  
difficulty raising R100.00 - Do you  
think its easy for me.

I want some of the cash I have, to go  
to London to see my kids - or is  
that a luxury for me -

Sorry - for this tone - I've got to pay  
Mae's postage of his clothes R72.82 -  
I note it has not been paid to date.

Do something - damn you  
Love  
Rayl.
