My dear Rita & Nick.

It would appear that Nigel's money is giving problems - why I do not understand. Certainly Rita should know better.

① When I call she is not to be given her book or money - unless she writes acknowledging same.

② It appears that since Nov - no letters from her have reached donors.

Write down the amounts received from November to date & get her acknowledge same.

③ Send the bank notice to you of letters with a complimentary slip with.

To donors

Some record in the file if typing a letter is impossible - as this would be a good record for you too.

Love to all of you - pups, Saras  
Pups Aunt - I can't remember her name - Bigela (2) - high watch  
Love  
Paul.
