My dear Sylvia,

Thank you for your
letter - I am glad Pareks is settled
and the boys are at school - hope they
work hard & enjoy it - No I've
not had Barbara's letter - I was surprised
to find her here - It's freezing now -
so wait till summer comes before
you come. Does the dress fit our
baby? How big is she?

How is Wiseman - Did you go to
see Matthews again - How is he?

Jack? pity you cannot send me
copies of his letters - I would so much
like to know how he keeps.

It's very cold here - the ground
is white with frost - all the leaves
have dropped or are dropping from
the trees - It will soon be bare
here -

The boys all miss home - but are busy
working at school etc. There are
some lovely children - & their parents
would be very proud of them.

My address is P.O. Box 619, Masera
Do keep well,

Love
Rupia
