Dear Phyllis

Compliments of the Season!!!

Hester said the ~~boy~~ should  
send the forms to you. but  
on the contrary he decided to  
present himself to the University  
So please Phyllis dear, make all  
the necessary arrangements for the  
~~boy~~.

In fact it is the Scholarship  
that we are very much in  
need of because at the moment  
we are in financial difficulties  
at the same time the  
children must go to school

After all it is not their fault that these unforeseen circumstances should arise.

If you can please introduce him to Kgalake's family even Pascal if he is not far from you. Unfortunately I do not know the Geography of that place otherwise I'd have sent him to some of my friends to say hello!

Thanks ever so much for taking all the trouble Phyllis, we'll hear from you when he returns.  
Yours Sincerely  
GIRLIE
