

Hi Liz,

I had intended to send this to both Rebecca & yourself. But for the moment she is with Tom & lost to us. Perhaps when you get her address you can share it with her.

This was your valley for some time.

With much love,

Hi there,

This is Johns home from which he
was so rudely wrenched. The school
he built with materials gathered from
Maseru weekly ' loaded onto that
ramshackle he called a motor vehicle.
Ive sent him one as well. With time
I am sure he 'll be able to see the
beauty with less pain.
