Hullo - have the babies come?
Is all well with the new ones?
Is all well with the new mothers?
" " " " " " fathers?

Please write soon.

Hi Brenda,

5/8/81

~~Cannot post this until your strike~~
is over - Bennie has been ill - probably
missing you.. I went over to see her &
she was in bed - refused to come to us
said she was fine having lots of attention
which she does not have -

Were missing you & Sandy - how we
take you for granted when you're here
& now that you're gone - there's such a
finality - keep in touch dear girl -
I'll write to Sandy - the drawing she
wanted cannot be had as it was given
away as a present.

Love Raylen
