Dear Paddy,

Enclosed please find my subscription form duly filled, correctly I hope: Also a cheque for R15.00 being subscription for 1981, the balance R6140 towards the fund set (11.40) up for the Frere workers who were not reinstated.

Thank you for this wonderful work. I wish I could get some more money for this effort, but my friends are poor & those with money here wont touch me with a barge pole. However I shall try.

My letter for xmas I hope does not make xmas less meaningful.

All my love,

Phyllis Naidoo.
