

8/11/79.

Just a note to say I'm leaving next week for treatment - by the time you get this I'll be gone -

Sales booked to leave Bloom on 8/18/79 - return 19/11/20
Shiel stay with Rosa -

I think this is the parting of the ways - you resent knowing to tell me of your safe arrival - & when I asked you about opening practice here - it was not to take you away from clear skies - it was to help you earn some money - to make life easier than it is for you - Travelling motor bike, cars - holiday town - women

If you thought I was wanting you to stay here because I needed you - had not even considered it, ^{Not my needs!}

In 1968 - So Judy - It is the journey away from home - - - - bla - bla -

"Your ^{UKZN} ^{Gandhi} ^{Documentation} ^{Centre} inseparable togetherness (???) is to ^{UKZN} ^{Gandhi} ^{Documentation} ^{Centre} irrefutable passion

what you are to Judy - Passion is passed after a job - So we have had many - & we are exhausted you twice & more times even more so.

So Goodbye - Good luck & thank you for all your anxiety & care of me.

PS:
Cheque for R500.00 to help you present position.

Bye.
