My dear Esther & Hymie,

See Sam,  
awaiting a residence permit &  
hopefully to be employed. Keep  
your fingers crossed.  
What news of Melle? If this does  
not work out (Swaziland) will  
you enquire from M. what chances  
in UK - Sukhbir has to be in  
school & I have to learn to keep  
her there -  
You have been much in my  
thoughts - I wish I could stretch  
out to hold your hands.  
Is Jan well?  
Please give Sheila's my address -  
Sam too - Is he O.K.? The  
marriage plans sadly are  
overboard. How is Dennis? et al?

Will write longer when the  
sun shines again

Love  
Ray!
