Dear Sukhthi,

Your mother has sent us your address in England. As you probably know we have been writing to her for about ten years, but of course have never met. I do hope you are settling down in England and learning to live with our weather! It would be lovely to meet you and we wondered whether you would like to come and stay with us one weekend?

As you may know - we have three boys. 7½ yrs - 2½ yrs so our life is busy and not very exciting but we should be delighted to have you to stay too. If we can help in any other way, let us know too. Mike works in London (Tele. 278 - 2468 Ext 576). Ring him or write or ring us here.

We look forward to hearing from you.
with love from

Fiona + Mike Benson.
