Dear Mrs. Naidoo,

I have arranged for you to have Blood Tests in the Pathology Department here on Tuesday the 15th of June at 9am. Also I have arranged for you to have a IVP Xray here on Tuesday the 15th of June at 10am. Would you please note the following instructions which you must do before you come here on Tuesday:-

You may only have 1 pint of fluid with normal food 24 hours before the Xray and no food or drink 12 hours before the Xray. You may have 4 boiled sweets if your mouth gets dry.

I enclose an appointment card for you to see me here on Thursday the 17th of June at 9am.

Yours sincerely,

D. Geraint James
