My Dearest Phil,

It's ages since I heard from you, and I guess you will say the same thing to me.

I hope you are keeping fine, as for me, I am quite fine esp. Spiritually - My physique is not so good esp. The stomach.

My family has joined me.

Maxim is in excellent condition and Azad is very pretty and full of life. Maxim eats meat and that's good.

action has done good for her
health. She has put on weight, three
times her original weight.

To my surprise, I saw your
daughter yesterday. I wonder
what went wrong. The education
set up at her school - to she
seems to be very keen in getting
back to school. I guess you my
Dear, are going to have to work very
hard with her. I wish you all the
luck in this regard.

I went to the Vietnamese Embassy
yesterday - to see whether I could
pick up some literature for you,
but unfortunately there was none
in English. I wanted to send you

Some, as soon as I get them. 111

Status - and PNC did not
feature anywhere. One expected
States like - Tanzania and
Zambia were going to press
for their presence.

Comrade Michael is coming

out to be a far more powerful
figure and leader amongst the
Front Line States.

It's sad what's happening in
Zimbabwe - the two forces
(esp. ZANU.)
are playing right in the hands
of the Imperialists. I will write

More soon -

That's all for now -

Keep well - Take Care of
