Dear Phyllis,

I fear that R10 you sent for some of these booklets has got lost, or the booklets were intercepted. I'm writing to ask if they got my order, but ---. In the meantime, here are a few more for you that I got from the Sisters at Romberley.

You are much in our prayers these anxious days. We'll be specially close to you tomorrow, when we have a Mass for Peace & Justice, and special prayers all day.

I do hope you'll get out to Marate some day. I feel you need a breather! Guest House is full the w/nd of <sup>June</sup> ~~July~~ 24-27 so don't come then! And July 1-4 may be full, as it's our patronal festival on July 1st. **UKZN** **Gandhi** **Documentation** **Centre** **Otherwise** **epistolaries** tell our Retreat Aug. 14-24.

Much love to you.
