

15/11/79. 29

Dearest Kay,

You'll be 21 on the
24/11 — congratulations — you've
a big girl now —

The enclosed Rs. 00 is for some good
wholesome fruit juice to get you
and Kevin Stoned.

And the cutting for your copy
of letters to Jarjanah — I've
felt such a hell lying
to you — I am sorry.

Take care of my baby —

All my love
Puplis.
