

LOCAL GOVERNMENT ELECTIONS: OCTOBER 1995

STAR 30/1/95

"If a picture can paint a thousand words....."

On the 1st April 1995 Stock Press launches its LOCAL GOVERNMENT ELECTIONS SERVICE which will run to end-November 1995.

The Service, in three modules, will provide comprehensive coverage of the print- and electronic media together with incisive updates prepared by Dr Gavin Lewis, co-editor of the RDP Monitor.

These Elections will be of equal, if not greater, importance than the General Election. It is, we believe, of vital importance that the information is transmitted to interested parties as rapidly as possible.

Two of the services, TV & Radio Summaries and the Update, will be by facsimile transmission only. The press monitoring service will be daily or weekly by courier or post.

The Services which can be subscribed to in full or selectively, are-
