My Dearest Phi

I thank you for your letter
I'm so sorry to ^{hear} all the news my dear you must
not worry as I do we are in the same way
any way I pray for you every day did we even
think this would happen I take it to God yes my
dear. I think you did all what a mother would do
God will take care of you as you was so good.
my dear I did have a very nice time at A.J,
they did gave me a ^{nice} time & took me around.
& I did not see Rosar's family as I had no one to
take me around & I was not to well I came back
sick I never went out yet. I'm surprise to hear
about Alha as I got a heart attack & the Doctors
said I must not get any where so I'm resting
at home my sisters are here in the Flats but
you know not ^{even} my children came & see me
only Sylvia Family not even Durie I do
hope I will try & go to Swilthe when I get a
little better I pray for Suther God will be with her
I do hope she will be happy with the Family but she will

miss you what is it with out Mother I do hope
I could see you soon that is my best wish
& then all my holidays is over I cant
make it I am feeling aged now - any^{way} god
is so good to me in my loneliness
I must say take care of yourself.

blessing with all my love & God
Bless you for the New year &
Happy Birthdays & many more
to come in your long life.

God Bless

Eva.

My Dearest Phi

Get your letter & a big surprise
which I must thank you it gave me a great pleasure
to do all for our Abba but now I do miss her as I'm
so far now I don't think I would of went so much to see her
but God know best. well I do hope you are getting your
health back you must take care of yourself I wish
I was there as I could do some thing for you as you was
so good to me & I could tell you all my troubles
but I have to carry my cross well my dear I do
go every month to my Dr. & he said I must rest
but you see where I'm now it is a big climb up
& you know I can't stay home when I get news about
my friends are sick & deaths too I must go that's
the trouble but Lorraine is very good to me she has
a in all but Debbie is sick in hospital she has a chest
trouble ever since she got married but nothing cooking
yet as for Roscar she never said anything about
Bastie I just heard from others well I think
he is a very nice boy & comes out a good Family
but she could of have a nice wedding being

the only girl & what a wonderful child
but one can't say anything today as the
cost of living is high well my dear I do hope
Sabs is getting on I do feel sorry
for you being lonely I was once like you
I know what is it you. Rev Francis is here but he never
had his own house well my dear I must close
with Sabs of Love God Bless
