Dear Phyll,

Herewith 'Lisas' & 'Jaz'
letters with all their imperfections.

I thought Shai Peeter - very
moving. I think of him often.

Read your letter &
Thengval. You should have
read his article after G's
death. Will make you want
to bring up & more
importantly want to forget
any association with the
bastard.

Did Uncle Gas. have a bro'
that was a bit backward? I thought
I recognised him during Mai's
drains.

See you.
