Subject TELEPHONE ACCOUNT

Phyllis, in March three phone calls were made to London (one reversed charges) and one to Durban. It isn't clear by Bert's records whether these were paid for.

The cost for the 2 calls to London is M39.00 and the one to Durban is M1.92. Therefore the total cost is M40.92.

If you have paid for these calls and it hasn't been recorded please let me know.

Thanks.

Your letter of the 18/10
referred -
March seems a long time
away - I cannot recall
if it was paid - but
since I kept good records
I imagine I've not done
so.

Herewith £40.92 -

Many thanks
Angela
