Dear Phyllis!

Thank you very much for your letter through Brigitte Reinhardt and for the two letters with cuttings out of Youth African newspapers. The copy from the front page of the Leretho telephone directory was a very nice idea. I enjoyed it very much. What about the 20 Rand.

You must give me a good explanation for this. Otherwise I'll give the money to the Anti-Apartheid-Movement. I wish your daughter ~~much~~ much success for her exams.

I hope ^{that} you had a good journey to London and that you will get the medical treatment you need (I am worried about your health. You have to follow the doctor's advice.) If you come to Germany, let me know. Perhaps we can meet. The German Anti-Apartheid-Movement has a meeting in Bonn from the 4th to the 6th of June. My girl-friend and I will be in Bonn at this weekend.

Thank you very much also for your
letter for Jürgen. I send it to him.
He is still staying in Berlin and
looking for a job. We two haven't
been successful until now.

Medico international and the GIZ
(technical aid-government institution)
said no. So I have to look for a job
in other institutions ~~and~~ or - more likely -
in private enterprises. I am not lucky
about this.

I wish you an interesting visit in Europe.
Take care for your health. I also hope
that you can see your son in Budapest.
And I will be happy to hear from you
especially if you come to Germany.

Much love
Georg

P.S.: You can also write to Mainz where
I am staying with my girl-friend.
