

19/10/82.

My dear Zuma.

Kindly let Albie &

Rajes have these letters.

It was good to have you here.

You'll be happy to know that

I don't have that Student magazine

yet?

Japhet Ndlovu sent those cigarettes
to Edwin - He came to see
you 4 hrs after you had
left.

Did you see Ind - Is he ok?

Take care

Love

Phur.
