

Hello Jane,

This is to tell you that I shall be away from next week till January for medical treatment & shall get in touch with you on my return -

I shall tell you that I shall be thinking of you on the 8/1 & holding your hand.

Have you been thinking of what I said in my last letter - Did you get it?

My daughter Suchithi will be in Durban from 8/12 - 19/1 - If you are there I will be at 218657 at her 'Mum' Rosa -

Take care -

All my love

Bye.
