Dear Thungavel,

Hey its been some time since I said that to you. How are you?

Now dont use this letter in the Graphic of next week Mr Sadiq Ali.  
No I have not forgiven you for your stint in the Presidents Council, but I am happy that you moved out soon. What a twit you were & sounding pompous all the while. A great liberal you are.

Now I dont want to fight with you. Of us it can be safely said we are too old to be taught new tricks.

What I did want to say Thungavel was how I appreciated what you had done for my sister Poomoné Moodley. When no one else would touch her you gave her a job. That took guts at the time and I very sincerely thank you for same.

Another matter which I thought should engage your attention is a list published in the Hortors Legal Diary.. List of Principal Newspapers. Now they have what they describe as urban newspapers & I assume district papers. Neither the Graphic or Leader is listed here. I think as Editor/Director of the Graphic you should complain at the omission.

Do you think the omission is due to the fact that this newspaper is owned by South Indians & not South African ?

Hey I am sure you print many more graphics than you sell. Send me a copy. For some time now Ive not been able to get a copy. Be generous & send me all the Sunday papers from Durban. I get S.Times (not ethnic editions) & Express.

When I left you were a grandad once over. Has the position changed?

Take care

Vasendha.

P.S. Any news of Paul & Nell?
