

Dear Phyllis,

11/23/93

I send you big warm greetings. I hope all is well with you and your family in Durban. Carrie and Rider gave me your new address. I try to see them as much as possible.

I have exciting news. I will be coming to South Africa for the month of January. A friend and I will be going to Jo'burg to do some research for a professor (Prof. Ogletree). He's writing about the need for a ^{national} public defender system.

I hope to get to Durban during my 3½ weeks and see you. Hopefully, my itinerary will allow it. Do you get to Jo'burg often?

How's your work going? Rider told me that you are writing a biography of Chris. I think that's great. How's ~~subhi~~ ^{subhi}? Is she in South Africa now? London? Zimbabwe? It's difficult to keep track of her. Obviously if she's in Jo'burg, I must see her. Would you please either write me with her address or tell her to contact me? I'd appreciate it.

Things are so-so for me right now. Exams are around the corner. Yikes, but

at least I have this exciting trip to
look forward to.

I really hope that I'll get to see
you. Soon!

Take care,

Josh
