

23/2/82.

Dear Janet / Horst.

When Sammy left I did not have my plans as crystallized as they've become - re. UK trip.

See enclosure.

This letter is being sent to Judy to dispatch to you.

Has any progress been made re paying me + R10,000.00.

If not - Would this be possible -

1. Fund my Masem.

2. Will they pay medical expenses?

ticket to & from London

3. Will they be able to get tickets for Sukes & me to Hungary.

If the above expenses go beyond Rs 10,000 - I shall pay the difference &

vice versa. I must know soon so that my plans can be tailored accordingly.

Can/May I stay with you - or be based with you.
