Dear Phyll,

I thank you ~~for~~ post card of the
13/11/82. I also received your earlier
letter showing your ~~views~~ at judging
my feelings after you ~~got~~ my letter to
the lawyers. You might have thought that
I ignored it — I wrote you a letter
telling you exactly how I felt
about you & the others. You have
become just a mercenary as they are.
Phyll! When are you going to learn
to judge objectively — when you know
all the facts. It's very easy for you
to remove books away.

Don't mention Leslie
or her family name again.
