Dogs barking - Mosquito coil bump
Windows closed - room stuffy & hot.
Been bleeding for over a week now
- no a week today, won't let up -
feeling tired - brought else.

See you short note despite any earlier
promise of an elaboration - of Sunday
the postal service is used - far
lets go back to - Monroe phoned
to say he had written to me 2 weeks
ago & it has not arrived yet
From 30th St he at No 1, New York House

is this right
flat - you'll
see my car.

Did you get BH? I waited till 5 for
 you calls to no avail -
 Yes I have a flask & its very handy -
 but bring that other with you if you dont
 require it now,

Are you getting Rita to collect stamps
 for me - Menetia can do the game.
 I somehow find your phone calls at
 Tues/Thurs hollow. After a game with
 Kaminis a quiet talk on the phone -
 sounds beautiful to me at least - You
 enjoy her - & let her be.

B please inform on books shell be on
 total for the 30 volumes at Waterford - &
 if she cant find the 50 in every subject
 shell be out. I write every 6 months.
 Let her to read but for a scribble
 & get her to read the papers daily.
 Please to go to crowd you already
 overworked -
 I'm dropping in to say to

Will you get me a set of books
 for the office - Just a business &
 get how to tell me in pencil
 what should be done - I've forgotten
 in each.
