Your Ref..... Our Ref.....

Bound by our total submission to the Will of ~~The~~ Almighty Allah; and in recognition of Islam's uncompromising stand on injustice, as clearly expressed through the Holy contents of The Koran, we pledge our total support for the present protest against the discriminatory system of education based on the false values of race. We are equally convinced that the source of the present state of peaceful "co-existence" is the system of "Apartheid"; and duly blame it, as the cardinal culprit of incitement and agitation.

We call upon all Muslims to bear witness in unity with all justice-loving people; and stand firm and resolutely in the halls of conscience, so that the uncalled for harsh and unprovoked actions taken by authority against weaponless and powerless children of our dismembered land can be checked. Through solidarity we must respond to the moral commands of Allah against man-made laws that undermine His inviolable authority

The Muslim joy in the restoration of justice in Iran and the deep concern expressed for the enslavement of Muslim Afghanistan is hollow, if we fail to respond with an equal fervour to establish in this land a just and honourable order. It is the divine responsibility of spiritual man to hold fast to the self-evident truth that right is might and not might is right. Thus no Muslim worth his salt knowingly can overtly or covertly give credibility to a regime which gives offence to the Laws of Allah and the Sunnah of our beloved Prophet Muhammed (P.B.U.H.)

Thus we call upon those wielding power to submit their actions to the bar of Allah's compassion and love; and so free themselves from the chains of prejudice and oppression so that each citizen is restored the basic right to human dignity and self-respect.
