My dear Amah, Kamla & Rema,

How are you? I'm told you returned to S.A. last month. I'm sure it was painful parting with all in London especially Bram, but it must be lovely in the sun with all our friends here.

I tried ringing the house from Masem on several occasions & found it engaged. I hope you are all well.

It's lovely that Morgan is free now - I just missed him here. What a pity!

Charles comes up & down here - perhaps Amah can come over with him.

How is Helen?

Do take care & please write

Love
Puz.
