Dear Sir,

re: SURVEY: INDIAN UNIVERSITY QUALIFIED GRADUATE AND
DIPLOMA EMPLOYEES

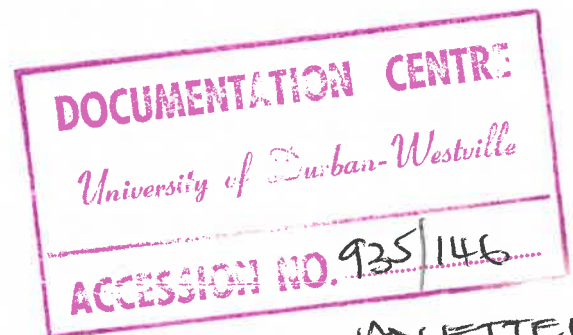

We have for acknowledgement the Circular regarding the above Survey together with the Questionnaire, which you require to be completed in order to assess the employment possibilities for Indians holding University Degrees and Diplomas.

It is regretted, however, that we will be unable to participate in this Survey due to the fact that members of the Personnel Department are at present fully engaged in important Company projects.

We would like to take this opportunity to thank you for giving us the opportunity to participate in this worthwhile survey and apologise for our inability to assist you.

Yours faithfully,

MRS. R. C. RICHTER
Personnel Officer,
Administration,
Head Office.
