Dear Professor Greyling,

SURVEY : INDIAN UNIVERSITY QUALIFIED GRADUATE AND DIPLOMA EMPLOYEES

We have had forwarded to us by our Durban Sales Office, the details of your survey dated 3rd May 1974, which was received by us only on the 21st May 1974. We note that you require returns by the 3rd June and regret that it is not possible to provide you with all the information you require.

We have employed in our Natal operations at our factory at Umbogintwini and our Durban Sales Office about 150 Indians, none of whom at this stage are graduates.

On the other hand there are no restrictions on the employment of Indian graduates, which we visualise will occur in the future.

We are particularly interested in those studying science and engineering and would be grateful in due course, if we could have a copy of your survey when this is published.

Yours sincerely,

A J DE BEER  
PERSONNEL MANAGER
