NOTES :

- (a) "Educational establishment" means a primary or secondary school, college or university offering full time educational, vocational or technical courses for a school year, and shall not include a commercial office, industrial or military establishment or a hospital at which a student is serving an apprenticeship unless such apprenticeship is part of the school curriculum of the educational establishment at which the student is enrolled.
- (b) "Residence" means a stay involving a certain element of permanency over and above mere physical presence in a country for vacation or similar short term purposes. The residential address required is that in the country of residence of the parent(s) or guardian of the student, or in the country where the student resided before he/she was enrolled at the educational establishment (and not where the student is, or will be, residing in the country of education).
- (c) "Guardian" means a legal guardian or a person acting in lieu of parents in the event of death or legal incapacity of parents.
- (d) "School year" means a period of 12 consecutive months less whatever interruption for vacations are normally granted by the educational establishment at which the student is enrolled, provided that where the official scholastic year is less than 12 months "school year" shall mean not less than a 6 months' period less whatever interruptions for vacation are normally granted at the educational establishment at which the student is enrolled.
- (e) Where no official stamp is available, the certificate must be accompanied by a sheet of the educational establishment's official stationery bearing the signature of the person executing the certificate.

Note : Carrier to insert 20 or 31 years, as applicable.
