My dear Kaula,
 Your invitation to
 Bharti's wedding only arrived this
 morning. You know that this would
 not have presented any difficulty
 to my attending her wedding - but
 you know !!

Please wish Bharti & Anuradha
 everything they themselves wish for,
 from MD, the children & myself.

I am sure that with her fine
 background she will give a good
 account of herself.

Best Wishes to Bharti & An.
 Sincerely
 Khyllis Kaidas
