

8/9/69.

My dear Liz & Ian,

Got yours on 2/9/69. Also  
the jigsaw puzzle. What a fascinating  
puzzle. Thank you.

I passed my Law Exams (Practic)  
Now the Nov. Exams - 4 Afrikaans  
for Admission.

Yes Lie head from Ulla. She is  
going to have a baby & is thrilled to  
bits. The Swedish friends are helping  
me per month in the sum of R34.00  
until I am able to cope. That  
cannot be too soon for me.

I go into hospital again as the quacks  
are now sure that I have a stone  
in the kidney which is to be removed  
on Friday 12/9. I should be away  
for 2 weeks - My brother is going  
to look after the children. But for  
the 1st time in my life I'm afraid.

Not at the optome - but that I maybe  
too ill to cope thereafter - God forbid.  
May I deal with Onlooker when I return.  
Everything is in shambles - I'm trying  
to organise the house before I go.  
Order meat, eggs bread milk - You  
know the usual.

Please keep in touch -

Much love to you two
