Sirs, re: Butterworth & Co.
M. D. Nardoo aka

My husband, the above-named who is presently at Robben Island for political offences is studying for the B. Comm. & will be requiring books - some legal for same. You will get the order & cheque from the Officer Commanding.

When this happens I shall be deeply grateful to you for prompt services - eg. air freight, for which I shall be responsible for payment.

The prison authorities are notorious for their delaying tactics - and this causes undue stress on prisoners - also late ~~arrivals~~ arrivals makes for less time for reading and study - In all the circumstances I shall be deeply grateful for speedy service.

Enclosed please find my cheque for Rs 11.00 in payment of enclosed account.

Yours faithfully,
V. P. R. Kaidoo
