

P.O. Box 67,  
Parklands,  
Johannesburg.

Dear Phyllis Naidoo,

We, as a Christian group, are writing to you to express our concern. We know that we cannot hope to appreciate fully the isolation and loneliness caused by the restrictions you are made to live under; but we would like to convey our love and interest to you and your family and to assure you of our prayers.

yours sincerely

Manian Zeff
